## Chairman & CEO Message

At Mars Freights, we protect your company's reputation by ensuring that with one phone call, all your shipments are delivered on time and in perfect condition.

Mars Freights was established in 1990 and has since become one of the most highly respected freight forwarders in the Kingdom of Bahrain. Operating from its headquarters in Manama and a branch in Sitra, the company offers wide range of professional logistics services that meet the specific needs of its customers.

## VISION

Our vision is to become the undisputed leader of all regional shipping & freight forwarding companies. We strive to provide the best possible experience coupled with the most competitive rates.

Outstanding service is not a by product, it is the only product that we offer and we will consistently work as hard as we can for all our customers. Our management team is continuously searching for better service and rates and our network of agents keeps growing and expanding to better serve our current and future customers. We are always looking for innovative services that better meet today's consumer. Our company will continue to offer outstanding services and we will only offer services that we have thoroughly reviewed and which represent an added value to those which we currently offer.
